# INSTALLATION

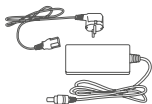

## KITCHEN SMART

KS-2150

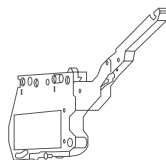

### SCOPE OF DELIVERY:

Kitchen Smart

Power Supply

Spring-loaded Lever

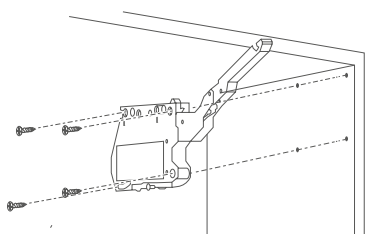

Push to open pin

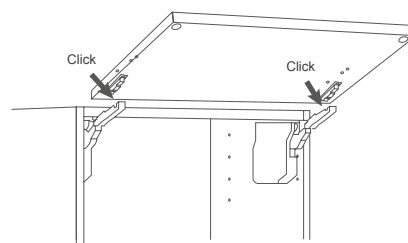

Manual

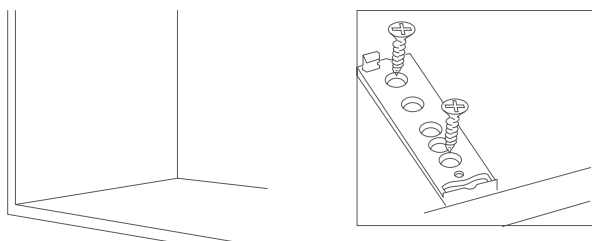

Risk of injury by spring-loaded lever assembly! Do not push lever assembly down without unit attached.

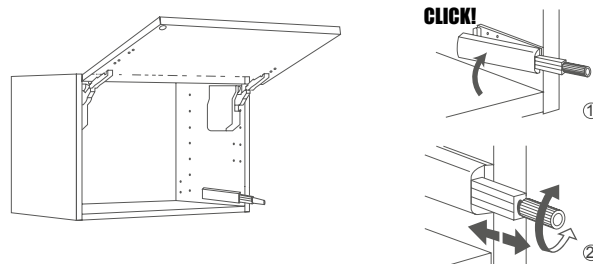

1. Install the spring-loaded levers. Installation must be performed by a skilled installer to avoid damage and injury!

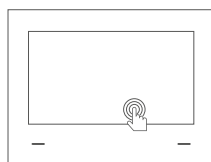

2. Ensure the Kitchen Smart is not connected to power. Attach Kitchen Smart to the Spring-loaded Levers.

3. Now, install the mounting clip for the push to open pin. Recommended to install on the bottom right or left of the cabinet.

4. Attach push to open pin to the mounting clip and adjust.

LAN  
DC-12V  
USB

5. Now, connect power to the Unit. Follow the instructions on the menu with touch screen. For detailed operating information, please read the manual.

6. Enjoy your new Kitchen Smart from Mues-Tec. We thank you for your trust and sincerely hope you are pleased with your purchase. MUES-TEC is always the right choice! Our team is at all times available for feedback or questions.
