# INSTALLATION

## Smart Box

General connection possibility (may vary from manufacturer to manufacturer!)

### SCOPE OF DELIVERY:

Smart Box

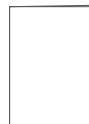

Remote

HDMI-Cabel

Power Supply

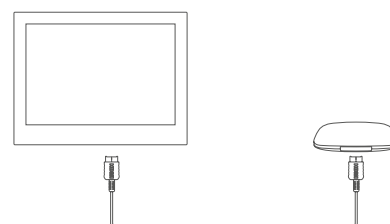

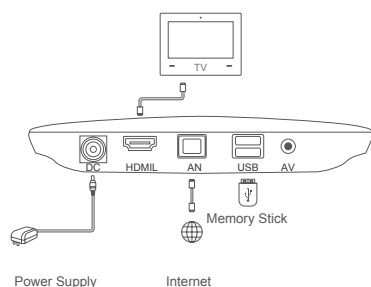

Manual

IR-Extension Cable  
(Part of the Mues-Tec TV)

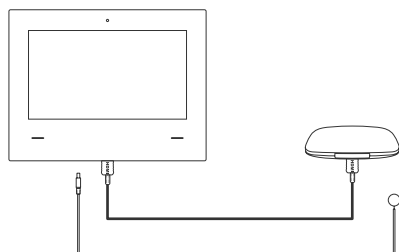

Aqua 4 in 1  
(Optionales accessories ZF-2000)

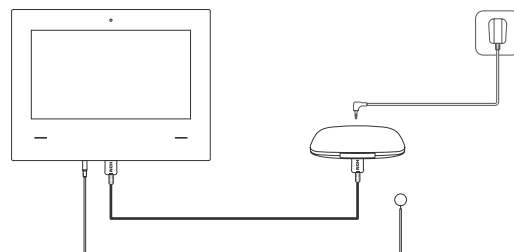

1. Please check the delivery scope for completeness.

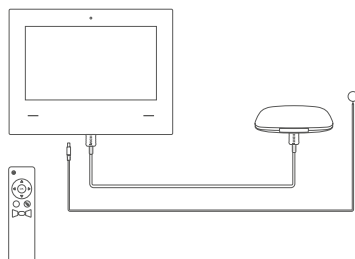

2. Connect your Smart Box to your TV with the HDMI cable.

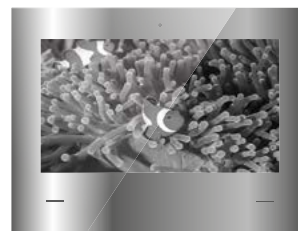

3. Using the IR extender cable, connect the IR plug to the matching IR plug on the TV. Then attach the IR sensor to the external Smart Box.

4. Connect the Smart Box to Power. Turn on your TV and change Input to HDMI. Since your TV has more than one HDMI input, you may need to try all.

5. Use to control and operate your Smart-Box The included remote control and read in the manual of the smart box after. (Alternatively you can also use the waterproof Aqua 4in1 remote control, which is available as an accessory)

6. Enjoy your new TV from Mues – Tec. We thank you for your trust and sincerely hope you are pleased with your purchase. Mues – Tec is always the right choice! Our team is at all times available for feedback or questions.
